## Family Art Night: TAOTS Community Quilting

### *TAOTS Parents Working With Their Children*

---

Materials for the Arts teaching artists will be inspiring parents and their children to work together through an evening of hands-on artmaking at the “Family Art Night: Community Quilting”. Participants to this event will learn to make a giant paper quilt to display in the school. This art project will also teach both parents and students to help the environment by making art with reusable materials that they already have around the house!
